

Stakeholder Engagement Form – Government Agencies

Stakeholder name

This letter provides information on the commencement of an Environmental Impact Assessment (EIA) process for the proposed exploration of gold under the Motapa Mine mining lease located in Bubi District, Matebeleland North Province. To conduct exploration, an EIA certificate must be obtained from the Environmental Management Agency (EMA) in accordance with the Environmental Management Act (Chapter 20:27) of 2002. The primary activities that will be carried out as part of the prospecting include:

- Geological Mapping
- Drone based Geophysical Surveys-Magnetics, Loza/Ground Penetration Radar, Terrain survey
- Site preparation
- Pits Dewatering
- Drilling (Percussion, Core and RC Drilling)
- Excavation (Trenching and Pitting)
- Mining to collect Metallurgical Bulk samples for gold recovery tests
- Decommissioning and Rehabilitation

GriynOva Environmental Consultancy has been appointed by Caledonia Mining Plc to undertake the EIA process for the proposed project.

You and/or your organisation are hereby invited to register as an Interested and Affected Party (I&AP) for the EIA processes. We would like to hear your concerns and expectations related to this project.

If you or your organisation would like to comment on the proposed project and/or if you know of any other stakeholders interested in, or affected by, the proposed project please submit such comments and/or information to GriynOva at the contact details shown below.

Please fill free to complete the attached form and do not hesitate to ask questions if you have any.

Yours faithfully,

GriynOva Environmental Consultancy
